Well she was just  seventeen  you know  what I mean
                                             G7
And the way she looked  was way beyond compare
     C           C7         F7      Fm         C7       G7       C7
So how could I dance with another  oou  when I saw her standing there

       C7                     F7          C7
Well she  looked at me  and I - I could see
                                       G7
That before too long  I'd fall in love with her
C            C7           F7      Fm          C7       G7       C7
She wouldn't dance with another  oou  when I saw her standing there

           F7
     Well my heart went boom  when I crossed that room
                         |G7 |G7 |F7 |F7
     And I held her hand in  mine~~

        |C7                            F7                C7
Oh we  danced  through the night  and we held each other tight
                                      G7
And before too long  I fell in love with her
        C        C7         F7      Fm       C7       G7       |C7 |C7
Now I'll never dance with another  oou  and I saw her standing there
