

## A Lover's Concerto - The Toys #2 in '65

C | Em | F G | C | C

|C                                    Em                    F G                    C Am  
How gentle is the rain that falls softly on the meadow  
Dm G                    C Am                    G C                    Dm G7  
Birds high up the trees serenade the flow'rs with their melodies *oh-oh*  
C                                    Em                    F G                    C Am  
See there beyond the hill the bright colors of the rainbow  
Dm G                    C Am                    Dm G                    C G  
Some magic from above made this day for us just to fall in love

C                                    Em                    F G                    C Am  
Now I belong to you from this day until forever  
Dm G                    C Am                    G C                    Dm G7  
Just love me tenderly and I'll give to you every part of me *oh-oh*  
C                                    Em                    F G                    C Am  
Don't ever make me cry through long lonely nights without love  
Dm G                    C Am                    Dm G                    |C |A  
Be always true to me keep this day in your heart eternally

|D                                    F#m                    G A                    D Bm  
Some day we shall return to this place upon the meadow  
Em A                    D Bm                    A D                    Em A7  
We'll walk out in the rain see the birds above singing once again *oh-oh*  
D                                    F#m                    G A                    D Bm  
You'll hold me in your arms and say once again you love me  
Em A                    D Bm                    Em A                    |D  
And if your love is true everything will be just as wonderful

|Em A                    D Bm                    Em  
And if your love is true everything will be

(*slower*) A                    D  
*Just – as – won-der-ful*
