

A Place in the Choir Celtic Thunder/Clancy Brothers

Chorus

[G] All God's creatures got a place in the choir
[D7] Some sing low and [G] some sing higher
Some [C] sing out loud on the [G] telephone wire
[D7] Some just clap their [G] hands, or paws, or anything they got now

Repeat Chorus G---G---D7---G---C---G---D7---G---

[G] Listen to the top where the little birds sing
And the [D7] melodies and the [G] high notes ringing
And the [C] hoot-owl cries over [G] everything
And the [D7] blackbird disagrees [G]

[G] Singing in the night time, singing in the day
And the [D7] little duck quacks and he's [G] on his way
And the [C] otter hasn't got much [G] to say
And the [D7] porcupine talks to him [G]self

Chorus G---G---D7---G---C---G---D7---G---

The [G] dogs and the cats, they take up the middle
Where the [D7] honeybee hums and the [G] cricket fiddles
The [C] donkey brays and the [G] pony neighs
And the [D7] old gray badger [G] sighs

[G] Listen to the bass, it's the one on the bottom
Where the [D7] bullfrog croaks and the [G] hippopotamus
[C] Moans and groans with a [G] big to do
And the [D7] old cow just goes [G] moo

Chorus G---G---D7---G---C---G---D7---G---

It's a [G] simple song of living sung everywhere
By the [D7] ox and the fox and the [G] grizzly bear
The [C] grumpy alligator and the [G] hawk above
The [D7] sly old weasel and the [G] turtledove

Chorus x 3
